

Poverty Truth Commission

3 Levels of Change - PTC1 Commission Outcomes 2022 - 2026

POVERTY TRUTH

BOURNEMOUTH • CHRISTCHURCH • POOLE

Individual

The personal change that happens in each commissioner involved in PTC. This transformation impacts their whole being and ways of working.

CCs increase in confidence, visibility and acceptance

CCs becoming leaders, speakers, panellists, writers, collaborators, trustees

"Poverty Truth is the best thing I've done professionally for a long time" CBC

Local MPs engaging personally with Commissioners

CC becoming facilitator on second Commission PTC2

Systems

The changes that happen to the policies and systems in the organisations & communities commissioners come from and return to.

PTC 'Vision for Homes' adopted locally

GOV.UK debt communications toolkit (CC Martin's case study)

BCP Council new lead member role for Poverty & Rough Sleeping

CCs & CBCs holding meetings at Parliament/House of Lords

'Access to Services' principles adopted by BCP Health & Wellbeing Board

Culture

The deep changes needed for us as a society to share responsibility for poverty rather than that burden being shouldered only by those who experience it.

CCs delivering training programme in Poverty Awareness to BU students

CCs presenters at various talks, conferences/festivals

Reverse Mentoring programme offered to NHS senior leaders

Programme to coach Homewards partners in Poverty Truth ways of working

Commissioners collaborating and editing 'Poverty in the UK' textbook

"I've loved being part of a solution instead of part of the problem" Community Commissioner
